About Us

ABOUT TMUN

TMUN is a new annual three-day high-school level Model UN conference held in downtown Toronto. It will be held at the Sheraton Centre Toronto Hotel from March 24-26. Our conference is student-led, and we aim to allow youth to experience the feeling of being a real UN delegate for three days. Delegates will be able to debate real world issues on the international stage in committees modern, historical and fictional. We aim to raise awareness about global issues and get the next generation interested in solving these issues in innovative ways as well as facilitating discussion on them. During our conference, delegates will draft resolutions with solutions to these problems, and will be able to share and discuss ideas in a formal debate setting with other participants. For many, Model UN becomes an integral part of their highschool career, and we want to bring that to Toronto in the most accessible and engaging way we can.

SPONSORS

By sponsoring TMUN, your company will be broadcast to hundreds of delegates, sponsor teachers and adult chaperones before and during our conference.

Why Sponsor

WHY SPONSOR US?

Every sponsor will be featured on both our website and printed materials (e.g. Delegate Handbook). Our website is viewed by all delegates as well as any prospective delegates, and our conference materials will be handed out to every delegate during the conference.

At the Silver level, sponsors will have their logo presented at both our opening and closing ceremonies, attended by most of our conference delegates. Sponsors will be explicitly mentioned and thanked at this time to all delegates and chaperones.

Gold sponsors will retain all the benefits of previous tiers, however instead of just being mentioned and thanked, they will be able to write a 45 second message for our team to present during the opening ceremony. In addition, Gold sponsors will be able to provide TMUN with a handout which we will give all delegates, in addition to their delegate handbook and other printed materials.

Our final level of sponsorship is Platinum. Platinum sponsors will be granted their own booth at the conference, and will be able to send the secretariat team a 120 second message to present during our opening ceremony. At their booth, sponsors will be able to station 1-2 representatives for the duration of the entire conference, and will be able to hand out materials and put up information on the table.

TMUN also accepts in-kind donations for products such as printed materials or complimentary refreshments. Perks and tiers for these donations will be determined depending on the value of the product or service provided, however all donations will

HOW WE WILL HELP THE COMMUNITY

TMUN strives to be able to provide every delegate with financial aid on a need-based basis. We believe that no delegate should be barred from Model UN due to financial reasons, which is why we aim to provide generous financial aid. However, this is only possible with the support of our generous sponsors, who help us reduce our costs and provide us with the funds needed to provide this financial aid. You will directly help us provide the next generation with the knowledge and passion required to solve global issues, and will be able to broadcast your message to all of our attendees.

FUNDING UTILIZATION

100% of money provided will go towards lowering delegate costs and making TMUN more accessible.

TMUN believes it is crucial that sponsors understand what their funding is used for, and we aim to keep open communication with every sponsor. Sponsors will be able to contact the Secretariat Team at any point before, during and after the conference through email, and we will provide all relevant financial data to every single sponsor.
